Education

Bachelor of Technology - Computer Science, ABES Engineering College, Ghaziabad — Expected 2028(Current CGPA- 8.12)

Class 12th (UP BOARD) — **2024 (86.8%)**

Class 10th (UP BOARD) — **2022 (86.6%)**

Technical Skills

Programming Languages: Python, C++, JavaScript, SQL
Frontend: React.js, Next.js, HTML5, CSS3, Tailwind CSS, shadcn/ui
Backend: FastAPI, Node.js, REST APIs
Databases: PostgreSQL, SQLite, MongoDB Atlas
Tools & Platforms: Git, GitHub, Docker, Figma, Canva
Cloud: AWS Cloud Foundations
Areas of Interest: AI/ML, Full-Stack Development, Cloud Computing, UI/UX Design

Projects

ManakSetu — AI-Powered Procurement Standards Intelligence
React / Next.js / [Verified backend and AI technologies]

- Contributed to a procurement intelligence solution designed to identify potentially applicable Indian Standards from procurement requirements.
- Worked on the interface for requirement analysis, standards applicability, and evidence-grounded explanations.
- Focused on making standards recommendations more explainable and traceable to supporting evidence.

University Student Support Chatbot
Python, Pandas, scikit-learn, TF-IDF, NLP, Streamlit

- Analyzed a dataset of 200 conversation records to build an intent-classification pipeline for university student queries.
- Compared Logistic Regression, Linear SVM, and Naive Bayes models for intent prediction.
- Achieved 50% accuracy with Linear SVM in the initial evaluation; further improvements are needed for reliable intent classification.

Certificates

- AWS Academy Graduate — Cloud Foundations | Training Badge (20 hours).
- AWS Academy Graduate – Cloud Architecting | Training Badge (60 hours).
- Exploratory Data Analysis

Extracurricular

Design Coordinator — GDG on Campus, ABES Engineering College — **Sep 2025 – Sep 2026**
Designed event creatives, promotional posters, and social media assets while maintaining consistent visual branding. Contributed to campus technical events and workshops through visual communication and design collaboration.

Event Coordinator — Kalakrit, ABES Engineering College — **July 2025 – Aug 2026**
Supported event planning, coordination, and execution in collaboration with team members.
